Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

There should be a total ban on breeding as long as one animal sits in a shelter waiting to be murdered because it has nowhere to go. This is a people problem that people can solve.

There is no good breeder. Only greedy people lining their pockets at the expense of misery to the animals used.

Any Alternative or New Recommendations on This Agency:

No more breeding permits. Ban it.

Harsh and expensive penalties for those who continue to breed.
