Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I write to oppose the elimination of PEO licensing. As W2 employers, this regulation protects employees and defines the standards that a PEO must meet to function in this arena. The benefit of the PEO is that it can leverage the buying power of many small organizations to obtain benefits for employees not available to its member organizations in their own.

Maintaining a standard against which the PEO is measured and regulated ensures protection of Texas workers.

Any Alternative or New Recommendations on This Agency: Continue as is.
