Any Alternative or New Recommendations on This Agency: No parent should have to bury their child. I couldn't begin to imagine. I know that a lot of people don't support this but I would hate to find out after the fact that my child could have been saved with this/simple screening if it happened to us. This has saved lives and is a small price to pay. When my child is old enough she will have this done. GBOGH!

My Comment Will Be Made Public: I agree
