Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I do not support the consolidation of the Texas Board of Chiropractor Examiners (TBCE) under the Texas Department of Licensing and Regulation (TDLR).

The lack of understanding of our profession would provide a disservice to everyone in our profession who has worked so hard to get to where we are. I feel it would lead our profession into a direction that would be detrimental to our practitioners.

Any Alternative or New Recommendations on This Agency: The TBCE should remain as the regulating authority of Texas Chiropractors.
