Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I understand the Texas state legislature is considering in its next session repealing protections formerly given to animals before they become homeless strays under the 2011 Texas Dog & Cat Breeder Act. I highly object to repealing any protections under this Act. Please do not do this.

Any Alternative or New Recommendations on This Agency: No alternative just keep the existing protections in place.

My Comment Will Be Made Public: I agree
