Dear Ken,

First and foremost, thank you for your e-mail and for all your efforts in serving on the recent Sunset Commission Review of the University Interscholastic League. As a Superintendent of Schools and a member of the UIL Legislative Council, I have the opportunity to experience first-hand the positive impact the UIL has across this great State of Texas. We all realize that the biggest room in the house is the room for improvement and we appreciate your work in allowing the UIL to become the Interscholastic League that we aspire to be. Robert Louis Stevenson once stated; "To be what we are, and to become what we are capable of becoming, is the only end in life." We thank you for challenging us to do more, to learn more, to dream more, and most importantly, to become more. We truly appreciate your excellence.

Have a wonderful Memorial Day weekend.
