Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed tot he Sunset Commission recommendation of abolishing the Youth Camp Advisory Group. Every time the government takes control without input from constituents it provides a more and more inefficient method of governing. People need input. Governments know little about camp operation. Safety of children and continuation of the camp industry is important. Leave the Advisory group as an active participant in the development of the rules that govern this industry.

Any Alternative or New Recommendations on This Agency: Leave as is.
