Your Comments About the Staff Report, Including Recommendations Supported or Opposed: i just consider that combining the agencies is great to be come more effective and efficient however we need to have individuals who the field and have the knowledge as well as the expertise to be able to vote. They are the ones who should be in charge of the committee and not people out side the field who do not have a clue and will vote on issues that they do not have expertise which will affect the future of us counselors in training.

Any Alternative or New Recommendations on This Agency: I think we just need to have individuals who are in field and know what is really the importance issues to tackle and vote on. I do not consider that random people should be on the board to do not have a clue.

My Comment Will Be Made Public: I agree
