Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I Becky Robles TAC of Tom Green county support the recommendations made by the Tax Assessor Collectors Association. We, the TAC's are the front line for the DMV. All 254 counties perform the same functions for the DMV. We need to be heard and taken serious.

Any Alternative or New Recommendations on This Agency: The composition of the DMV board is hardly fair. Our association would like the board to be restructured and have the Governor designate only public members.

My Comment Will Be Made Public: I agree
