Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am opposed to the recommendations made by the staff report regarding TSBPE. I believe the TSBPE is the only qualified authority to regulate plumbing in the state of Texas. Every trade worker was an apprentice at one time no one learned a trade on there own supervision is absolutely necessary for apprentice's to learn the correct ways to safely complete the job and pass on the information to future workers..

Any Alternative or New Recommendations on This Agency: I do feel the TSBPE could be made more efficient by having testing centers in both Dallas and Houston, or hiring more exam administrators and expanding the current testing center.

My Comment Will Be Made Public: I agree
