Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Dear Sunset Committee: I oppose the discontinuing of the requirement for the licensing of polygraph examiners in the State of Texas. Trained, licensed polygraph examiners are critical for the monitoring of possible re-offending sexual behavior and for the primary prevention of offenses by identifying high risk behaviors. Professional Treatment Providers depend heavily on reliable input from licensed polygraph examiners.

Any Alternative or New Recommendations on This Agency: Recommending that Polygraph Examiners must continue to be licensed in the State of Texas for the welfare of all.

My Comment Will Be Made Public: I agree
