Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the change in lumping all school names together as it will be hard for a person to find the actual name that they would be searching for. There are a number of people that do not have access to a computer at their homes. The remote classes are better for most elderly.

Any Alternative or New Recommendations on This Agency: The TDLR already have an advisory board in place to monitor this organization. They should be allowed to oversee the process.

My Comment Will Be Made Public: I agree
