Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I support the recommendations proposed by the staff report and sunset commission. Specifically the 9 members of the board and the ex officio members.

I feel that this is an appropriate compromise in making needed changes to The Board.

Any Alternative or New Recommendations on This Agency: The Board is in dire need of funding and staff. The long wait times serves as a barrier to entry for many new Social Workers. Furthermore the long long process of investigating any ethics complaints puts Texans in danger of having an incompetent social worker practicing and providing services for an extended period of time before the results of any investigation.

My Comment Will Be Made Public: I agree
