Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Ridiculous! Eliminating barber and cosmetology instructor license would be a serious mistake, what kind of graduates would you have with little knowledge and technical skills, sanitation, Public Safety, chemicals and interpersonal skills. Hours should not have been reduced and now no instructors. Truly safety should be first knowledge and training.

Any Alternative or New Recommendations on This Agency: Please do not eliminate Licensed trained, Instructors Licenses, if anything, prepare them even more!
