Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Please keep all of the State Supported Living Center facilities open and running. They offer crucial medical care needs, vocational skill development and activities which provide for social interaction. The private ICF homes cannot offer such necessary qualities such as the State Supported Living Centers provide.

Any Alternative or New Recommendations on This Agency: The SSLCs do a great job and should not be closed in favor of more ICF homes which have many shortcomings and do not provide the excellent care of the SSLCs.
