Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I oppose this proposition.

Recommendation 3.2 places the public at risk. The regulatory oversight provided by the Texas State Board of Examiners of Professional Counselors which includes licensed professional counselors as well as public members ensures that all LPCs are well trained and adhere to high professional standards. The impact of LPCs on the health and safety of the clients they serve mandates the oversight of an independent regulatory board that includes experienced licensed professionals.

Any Alternative or New Recommendations on This Agency: Unlike the other professions recommended for transfer to the Texas Department of Licensing and Regulation in Recommendation 3.2, Licensed Professional Counselors, Marriage and Family Therapists and Social Workers must hold advanced graduate degrees and are considered Health Professions under Texas law. None of the occupations currently licensed by TDLR are required to hold even a bachelor's degree.
