Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please be an advocate for animals who have no voice and stop puppy mills and unregulated breeding. There are some many animals filling shelters our focus should be on getting homes for animals already in need.

Any Alternative or New Recommendations on This Agency: Please stop puppy mills and unregulated breeding including backyard breeders. There are already too many animals filling shelters and too many euthenized for no reason because of irresponsible owners and breeders. Please be the voice of these for these animals and be the model demonstrating the humanity needed to stop the abuse animals are suffering.

My Comment Will Be Made Public: I agree
