Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Over the recommendation that there should only be one professional of each board to represent the profession but only as in a "ex officio" manner, I will say that I am opposed. There should be expansion to the recommended BHEC to include representation from each board as voting members.

Being a new passionate LMSW in the state of Texas, I value what I do and enjoy it very much. Do not diminish what is a calling to us to aid our fellow Texans.

Any Alternative or New Recommendations on This Agency: Representation matters.
