Your Comments About the Staff Report, Including Recommendations Supported or Opposed: CPS Region 6 need to be audited. I am a paternal grandmother who was discriminated because I complained about the case worker to state representative and denied unsupervised visitation for no reason. It has been a year and 1/2 and I still only know enabling. Very vague. No valid reason considering I had guardianship of children in 2004.

Any Alternative or New Recommendations on This Agency: More training and ABSOLUTELY no discrimination and forced documentation. The agencies need to be regulated by some entity besides the OCA or DPFS. It is being governed by its own entity.

My Comment Will Be Made Public: I agree
