Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Why would something as useful as "Texas Licensed Breeders Program" ever come up to be removed in the first place? Makes me suspicious. Nothing I've read so far tells me any good reason. Seems the side-effect is it gives more lee-way to unregulated puppy mills.

Any Alternative or New Recommendations on This Agency: Some transparency would be nice. Like above, I can't find a list of good reasons to tackle this as a problem anywhere, or what it fixes. I can surmise what it causes by proxy, but nothing about the issue you're trying to fix.

My Comment Will Be Made Public: I agree
