Your Comments About the Staff Report, Including Recommendations Supported or Opposed: When I read this on FB, I had to respond. I recommend ALL PUPPY MILLS be shut down. These animals, bred for profit only live in horrible conditions then die so greedy people can make a buck.

Any Alternative or New Recommendations on This Agency:

Please continue helping do away with Puppy Mills. These places are horrid.

It impacts shelters/groups that are trying to find homes for lost, dumped, older dogs, cats that need homes. Puppy Mills are in horrid conditions and the animals are kept in terrible conditions, forced to breed until they are dead. these Puppy Mills should be shut down and the owners prosecuted. If this were a human, the outcry would be heard around the world. Many of us are "animal people" and we abhor this type of horrible treatment. All animals matter !!!!
