Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Nothing needs to change . The TSBPE is doing a fantastic job in making sure that we have a high standard for professional plumbers. We as citizens of the state of Texas deserve to have trained professional plumbers who know their trade very well. Our water needs to be kept clean and this doesn't need to be handled by an under trained handyman . I want to know I can trust my plumber.

Any Alternative or New Recommendations on This Agency: Keep it as is. They are great.

My Comment Will Be Made Public: I agree
