Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I strongly support the renewal of funding for The Texas Holocaust & Genocide Commission. This commission educates current and future generations about the atrocities that occurred so they may never happen again. There are still too many doubters and people who have never been properly educated and this commission makes this education possible. Soon there will be no survivors to tell their stories and show their tattoos and the commission has evidence and all the facts and serves as a Texas Holocaust Museum.

Any Alternative or New Recommendations on This Agency: Create an actual Austin Holocaust Museum Austin is our State Capital and should have a Austin Holocaust Museum similar to the building in Houston
