Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Puppy mills, large scale breeding of animals for profit, are always cruel and inhumane. Humane societies are the heroes who go into horrible situations to save neglected and sick dogs. Texas must outlaw puppy mills once and for all.

Any Alternative or New Recommendations on This Agency: Investigate, expose, rescue and educate Texans about the cruelty of puppy mills. Be a voice for those who are without advocates. Get people involved and use donations to enact real change.
