Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I request that at least one of the six positions on the ERS board be filled by a retired state employee. Currently, not even one of these positions is filled by a retiree ,which in my opinion is unconchenable, since the expressed purpose of ERS is to serve retired state employees.

Any Alternative or New Recommendations on This Agency: I recommend that the three board positions currently filled by private citizens who are not state employees be changed to include state employees only. Further, I will go so far as to suggest that one of the ERS board members should be a disabled state employee or retiree.

My Comment Will Be Made Public: I agree
