Subject: Submitting My Post Graduate Hours

I

I'm hoping that under the new LPC licensure board I will be able to do something I could not do with the old Board, submit my post graduate internship hours so that I can obtain my full LPC licensure. The old Board wouldn't allow me to submit my hours so that I can obtain my LPC. For a few years I allowed the old board to discourage me from my LPC because they told me my degree was more than 10 years old and I wasn't eligible to re-apply for my. I saw many people give up because of this rule. I persevered and was able to take additional graduate courses to re-apply. I already completed my internship years ago and don't understand why as a seasoned Counselor I have to go through the weekly supervision process again.

I work with individual and families as an Addiction Therapist; I hold the Advanced Alcohol and Drug Counselor licensure which requires a Masters degree.

I thank you in advance for your assistance.

I look forward to your response.

"Furnish your mind well and you will always have a comfortable place to live."
