Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not abolish the Licensed Breeders Program. As it is now, there are so many dogs in Texas. Texas euthanizes the second largest number of dogs in the country. We are drowning in unwanted dogs, uncared for dogs, flea market dogs. Canton has made national news for it's unbearable number of puppy mill dogs that often end up dumped, by owners and breeders. Please please keep the standards high.

Any Alternative or New Recommendations on This Agency: Not at this time.
