Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please do not stop the oversight of the Auction Industry. Consider that one reason there are so few complaints is due to the fact that there is oversight, education requirements, and licensing. Stopping the licensing requirement will open the floodgates for cheaters and fraudsters.

Any Alternative or New Recommendations on This Agency: Begin overseeing online auctions. It is the future, and will need to be regulated. Already there are undesirables scamming folks online, and at this point in time, there is very little recourse for the customer.
