Any Alternative or New Recommendations on This Agency:

Fight puppy mills through multiple legal channels.

Educate all adults and children, from schools, churches, communities, to make known the truth of this exploitation business.

Involve the media to support campaigns against these hideous businesses.

Promote the adoption of animals that are waiting in shelters and that deserve a chance.

Create laws that severely punish the people who have these businesses, or improve the ones that exist. At least these owners of these miserable businesses go to prison for 5 years.
