Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I agree that we should change the Palo Duro River Authority to a water district. We could then allow the water district to drill wells and sell water rights to surrounding municipalities to help pay for operation & maintenance of the dam. This would then reduce or eliminate taxes.

Any Alternative or New Recommendations on This Agency: Since Moore County pays nearly 70% of the maintenance and paid over 70% of the total cost of the dam, I feel Moore County should have 70% of the representation on the board.

They would then have more say on how we operate and maintain the Palo Duro River Authority.

My Comment Will Be Made Public: I agree
