Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I oppose doing away with the Instructor License for Cosmetology and Barbering. I think that extra training is needed to assist Instructors on how to leave the salon practice again and break things back down to square one for students sake.

I support combining Barber and Cosmetology into one regulation.

Any Alternative or New Recommendations on This Agency: A new recommendation would be for instructors to have extended instructor training without necessarily having to obtain a separate license for instructor.
