Organization you are affiliated with: Laurel Ridge Treatment Center

Email:

City: San Antonio

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I suggest that the BHEC should include a professional representative with voting rights from each of the boards for the purpose of providing expertise to the board and enhance consistency in professional standard. This composition will not cause interference across professions.

Any Alternative or New Recommendations on This Agency: Each professional organization should be given equal representation and voice in order to maintain the integrity of each organization.

My Comment Will Be Made Public: I agree
