Your Comments About the Staff Report, Including Recommendations Supported or

Opposed: I personally oppose the Staff Report. I have been practicing over 25 years and am very careful to keep my numbers of controlled prescriptions low and only when needed. I am more than qualified to watch over my practice and keep meticulous records. If we suspect any abnormal requests we deny them and contact the pharmacist to look into the situation.

Any Alternative or New Recommendations on This Agency: I believe that veterinarians as a whole are very independent people and very concerned with following the rules of the board to avoid disciplinary action. There is not a need to regulate us further and more work to our already busy and overworked lives.
