Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I feel that it is essential for the TSBEP to remain in control of our licensing as they know best about our profession and how we need to stay abreast of new concerns/issues related to our field.

Also, I feel that LSSP should be able to practice outside public school systems and without the supervision of a PhD.

Any Alternative or New Recommendations on This Agency:

Please allow the TSBEP to remain the governing body regarding our licensing.

Please allow LSSP to practice outside public school systems and without the supervision of a PhD.
