Your Comments About the Staff Report, Including Recommendations Supported or
Opposed:

1.2 I agree with

1.3 I agree with hopefully make taking test more accessible

2.1 I disagree I will lose my job

2.9 I disagree with only people in the community should be able to work in Texas

Any Alternative or New Recommendations on This Agency: Keep it the same board, but out source testing to
TDLR. Can't become a plumber if ant test with testing 8 months out. There is some issues at hand. But eliminating
board will hard on industry
