Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I want to let the Board know that as a Licensed Professional Counselor, I am in support of the recommendation to create the Behavioral Health Executive Council to house all four behavioral health regulatory agencies and to expand the composition of BHEC to include professional representation from each board as voting members. This is the best structure to ensure that competent counseling professional will safely serve the public. Thank you.

Any Alternative or New Recommendations on This Agency: NO.
