Your Comments About the Staff Report, Including Recommendations Supported or Opposed: This report is disturbing to tax payers in Dumas Texas. I would like to voice my opinion on your review of the Palo Duro River Authority and the amount of fudging that has come from the City of Dumas without the delivery of promised water. I believe that this commission should sunset this entity, reorganize it without the City of Dumas commitments and a refund of a proportion of the past payments. Thank you for taking my opinion into consideration.

Any Alternative or New Recommendations on This Agency: If the City of Dumas is required by law to stay in this entity please require the proportion of board seats be awarded based on the percentage of funds contributed allowing Dumas to have more input in the future.

My Comment Will Be Made Public: I agree
