Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I support abolishing the Texas Board of Professional Geoscientists.

I have been a member since the beginning of the organization. (I recently dropped my membership when I retired after forty years in the oil&gas industry.). During that time, aside from being able to note it on my resume, I did not receive any benefit from belonging to it. Also, I did not understand why they felt it was necessary to raise the fees so often.

Any Alternative or New Recommendations on This Agency: No
