Agency: RAILROAD COMMISSION TEXAS RRC

First Name: Julie

Last Name: Speed

Title:

City: Marfa

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: It's not fair that the Texas Railroad commission represents the interests of oil and gas companies at the expense of other Texas citizens.  
ETP's putting in a HUGE gas pipe out here that we don't need. It will permanently deface the Big Bend, last wild place in Texas just to add another billion to Kelcy Warren's personal fortune.

Any Alternative or New Recommendations on This Agency:

1/ should be people on the board who are not from the oil and gas biz, especially an environmental advocate 2/  
there should be higher bonding requirements 3/There should be more independent pipeline inspectors

My Comment Will Be Made Public: I agree
