Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I am a Registered Professional Land Surveyor in the State of Texas and I disagree with the recommendation to combine the Land Surveying and Engineering Boards into one faction.

The board should stay as it is consisting of Land Surveying Professionals and public citizens with an intention to protect the industry and the public it serves, while continuing to provide quality over site essential to the public's safety.

Thank you for your time reviewing my input.

Any Alternative or New Recommendations on This Agency: I recommend that the Texas Board of Professional Land Surveying be given the opportunity to address the concerns listed in the Sunset Staff Report and remain an independent licensing agency.
