Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I sincerely believe that the Sunset Report on the Texas DPS Motorcycle Safety Unit is being quite short sighted. For the small amount of taxpayer's money there is a lot to be gained by properly training motorcyclists. The budget of the Texas DPS MSU is minimal compared to other state programs. I oppose the recommendations set forth in the Sunset Report.

Any Alternative or New Recommendations on This Agency: The program should be expanded if anything. More staff and allocations for sponsor support should be provided. Law enforcement should be made aware of the problem of unlicensed motorcyclists on the road in Texas.

My Comment Will Be Made Public: I agree
