Your Comments About the Staff Report, Including Recommendations Supported or Opposed: One of the best ways to be able to control the OVERPOPULATION, NEGLECT, and ABANDONMENT of dogs/cats is to have a Licensed Breeder Program.

I have personally been witness to the countless puppies and kittens from these mills that have lifelong medical issues, and also see the ones dumped and/or turned into Animal Control only to be euthanized!!

Any Alternative or New Recommendations on This Agency: We need Viable TNR programs along with Mandatory Spay/Neuter/Vaccinate Laws to be able to stop the cruelty as well.

My Comment Will Be Made Public: I agree
