Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I submitted my application for lpc-I on November 16th. It was reviewed on February 16th and they found I'd missed an address on a form. I completed this and emailed back within 24 hours. It is now almost two months since I sent that email, 5 months from initially sending the application. I've heard nothing further.

Any Alternative or New Recommendations on This Agency:

Hire enough staff to reduce turnaround time for applications; Use temps if necessary to reduce the backlog quickly
