Your Comments About the Staff Report, Including Recommendations Supported or Opposed: All funds should be drawn from and placed in the individual employee's account for that employ on a voluntary basis only. No employer or employee should be forced to pay for another persons unemployment. If it is not done on a voluntary individual basis it is communism/theft and the entire agency should be abolished as soon as possible.

Any Alternative or New Recommendations on This Agency: Make it voluntary or abolish it.

My Comment Will Be Made Public: I agree
