Your Comments About the Staff Report, Including Recommendations Supported or
Opposed:

I believe the Board regulating its members should be made up of Professional Land Surveyors and Public members
and not made up of members of a different profession.

Please hear my strong opposition to combining the Land Surveying and Engineering Boards.

Any Alternative or New Recommendations on This Agency: I recommend that the Texas Board of Land Surveying
be given the opportunity to address the concerns listed in the Sunset Staff Report and remain an independent
licensing agency
