**Texas Sunset Commission Staff Report regarding the Texas Commission on Environmental Quality**

---

**The American Royalty Council represents royalty owners and energy professionals dedicated to advancing domestic oil and gas production by creating best business practices through dialogue, communication and education.**

**We appreciate the opportunity to submit comments regarding the Sunset Commission Staff Report on the Texas Commission on Environmental Quality and in lieu of testimony today, please accept these written comments.**

**The Council is in general agreement with the comments submitted by Texas Oil and Gas Association and presented to the Sunset Commission on December 15, 2010.**

**Specifically, the American Royalty Council agrees that the Texas Commission on Environmental Quality (TCEQ) should be continued for 12 years.**
