Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The recommendation to combine our overseeing agency is a poor one. There is a strong need for Mental health providers and they need to be educated, competent providers. People with degrees and training that are capable of meeting the needs of those who come to them seeking help. I oppose the SUNSET COMMISSION recommendation, emphatically. Talk with counselors and clients in need, not a board or committee that is not directly effected by the matter in anyway.
