Your Comments About the Staff Report, Including Recommendations Supported or Opposed: By eliminating the driving instructors, you take away the one on one experience that some people need. Every one is not very computer literate or just do not read very well. Some people are very impatient and can not sit staring at a computer screen for six hours. When you eliminate the \$25 fee, this is having the instructors work for free. We are already in an economic crisis from the pandemic. A lot of instructors are unable to work and there has been no extra income for months.

Any Alternative or New Recommendations on This Agency: None at this time.
