I agree with each recommendation of the sunset commission- further the public would be best served with a Health Professions Board that is multi-disciplinary.

Dear Recipient:

The Sunset Staff Report on the Texas Board of Chiropractic Examiners, as submitted to the Sunset Advisory Commission, is available for your review on our website, [www.sunset.texas.gov](http://www.sunset.texas.gov). To request a hard copy of this report, contact our office. The Sunset Commission has scheduled a public hearing on this report for November 10, 2016. At that time public testimony will be taken. An agenda specifying the meeting time, location, and the order of agencies scheduled for discussion will be available on our website as soon as the meeting has been posted. You may follow announcements by the Sunset Commission on social media through information posted on our website.

If you would like to comment on this report, the commission would appreciate hearing from you. Your feedback would be most helpful if it includes the following elements:

- your position in support or opposition for each recommendation in the staff report;
- a clear, brief statement of suggested changes, if any, to these recommendations; and
- a clear, concise summary of any new issues or recommendations not included in the report that you would like the Sunset Commission to consider.

If you submit your response by Friday, October 21, we can provide this information to the Sunset Commission members before the public hearing. Comments received in response to a staff report are considered public records, and will be posted on the Sunset website and released to the public upon request.

Thank you for your assistance with the Sunset review process.
