State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Puppy Mills, why still legal is mind boggling, then again, money is what is running and ruining our great country! Why are dogs in mills classified as a farm animal "b" and when the puppies are pets and treated as poorly, it is animal abuse.

Shame, shame, shame on ALL who take profit over the animals God wants us to protect! We are all his creatures and to abuse them reflects shamefully upon the human in his image!

SHUT DOWN PUPPY MILLS! Excuses are just that!

Any Alternative or New Recommendations on This Agency: Don't let the AG-GAG laws, that allow UNNECESSARY cruelty be allowed for the same reasons as mentioned above. YES, I am very well aware of the multi billion dollar meat industry in Texas.. Doesn't mean that animals should be punched, kicked, beaten, screwed because they can and there is NO ONE watching!

My Comment Will Be Made Public: I agree
